Continental Breakfast Meeting at WCBR's Offices, 60 South Broadway, White Plains

## ***THE STIMULUS PROGRAM: HOW WILL WESTCHESTER FARE?***

CID has assembled a panel of experts who will offer us their best insights into how the many provisions of the American Recovery and Reinvestment Act will or won't benefit the Westchester County region and especially the commercial real estate and development sectors. Ross Pepe, principal representative of the area's construction trades, will address infrastructure projects. Commercial Realtor Henry W. Fries will tackle the real estate programs in the new law. And Karen Pasquale, the County Executive's lobbyist in Washington and Albany, will report the County's readiness for what comes our way.

***Ross J. Pepe***  
***President & CEO, Construction Industry Council***

***Henry W. Fries***  
***Owner, Henry W. Fries Real Estate***

***Karen Pasquale***  
***Senior Assistant, Westchester County Office of Government Relations***

***Moderator: John Barrett, CID President***
